

Bula Kids!

I greet you all in the name of our Lord JESUS CHRIST.

Before you continue reading, please bow your head in prayer and just thank God for another awesome week and for His love for you. Amen!

Now I know you all are looking forward to go back to school hey! Don't forget to start gathering your schools stuffs ready for school. You don't have to depend on your parents to do it for you. This is one way where you can help them out. I am sure mum and dad will be happy to see you help in a big way 😊

But remember to seek God first because in the book of **Mathew 6:33** says **“seek ye first the Kingdom of God and His righteousness and all these things will be added unto you”**.

You should not worry about anything but fully trust and rely on God, who will supply all your needs. When you are seeking God like praying as the first thing you do and reading the Bible, God will make sure that you have everything you need. He loves you and will provide for your needs. Pray that you will practice to seek God first everyday.

Now let us look at answers to last week's questions.
